

Make your very own Bye Bye 2020 Glove

Say bye-bye to the year 2020 by looking back on what you've overcome/accomplished and looking forward to the future.

Step 1: Discuss the hard things you've overcome this last year

Step 2: Discuss the things you accomplished this last year. Share your highlights from 2020 (new things you've learned, favorite trips, etc.). Write them down if you'd like.

Step 3: Using the glove outline on the following page, write five things you're looking forward to in 2021. Write each thing on a finger. Feel free to trace your hand on a separate piece of paper to create your own glove.

Step 4: Color and decorate your Bye Bye Glove and share what you're looking forward to with your family.
